THC Adopt-a-Family Christmas Gift Program

THC children are making their holiday wish lists! You can adopt a THC family through the Adopt-a-Family Christmas Gift program. Each child asks for a clothing item, educational item, and a fun item with a suggested value of \$20 per item (three gifts per child). These lists will be provided to you based on how many families that you would like to adopt.

Shopping for the gifts and wrapping them with your family, church, or co-workers is a fun way to support a family in need and it is a tremendous help to a THC parent.

If you would like to make our client's Christmas a little brighter, please contact Andrew Adams (aadams@thcdc.org) at 202-291-5535 ext 405.
