

ABOUT US

Housing Up builds thriving communities in Washington, DC by developing affordable housing and offering comprehensive support services to close to 900 homeless and low-income families.

Permanent supportive housing is a long-term program for chronically homeless families/households with physical and/or mental disabilities.

UNITS OF HOUSING DEVELOPED

Housing Up's rapid re-housing program helps families that have recently become homeless regain housing as quickly as possible. The program couples short to medium-term housing vouchers with supportive services.

We currently provide resident services to 150 families in three buildings in wards 4 and 7: Webster Gardens Apartments, Fort View Apartments, and Weinberg Commons. Resident services focus on five pillars: youth enrichment, employment, health and wellness, community development and tenant education.

Housing Up works with partners and independently to develop high-quality housing for extremely low, low and moderate-income families in DC. We currently provide 426 units of affordable housing and have 369 additional units in our pipeline. Our properties include: Partner Arms 1 (14 units), Partner Arms 2 (12 units), Partner Arms 3 (13 units), Webster Gardens (52 units), Fort View (62 units), Weinberg Commons (36 units), Glenn Arms (55 units), Hedin House (48 units), Abrams Hall Senior Apartments at The Parks at Walter Reed (80 units) and Abrams Hall Assisted Living (54 units). 218 Vine Street (129 units), Urban Village (115 units) and Faircliff Plaza East (125 units) are currently in development.

SUPPORTIVE SERVICES

Housing Up provides a range of supportive services to families in all our housing programs to ensure that they can transform their lives while living in stable housing.
