AFFORDABLE HOUSING IN THE DISTRICT

PERMANENT SUPPORTIVE HOUSING (PSH) is a long-term program for chronically homeless families or households with physical and/or mental disabilities.

RAPID RE-HOUSING (RRH) helps families that have recently become homeless regain housing as quickly as possible. The program couples short to medium-term housing vouchers with supportive services.

“SCATTERED SITE” PSH provides comprehensive case management for families who are housed in apartment buildings located throughout the District. Housing Up provides the same case management and services as in our single site locations but meets the families in their homes and in different community locations.

THE LOCAL RENT SUPPLEMENT PROGRAM (LRSP), funded by the Housing Production Trust Fund (HTPF), provides ongoing rental subsidies that help make housing more affordable to very low-income families.
